Nope, this is the Hells Canyon SSC. Same case as was filed last month. IDEQ is providing notice that they will join as an intervenor, not that they will file a new case.

Are we referring to this as Snake River SSC?

I added it to the defensive case NOI page (a work in progress – trying to gather up all the old NOIs and figure out which once we got sued on and which ones never had a complaint filed).

Sorry to say, Shannon. This one is mine too. They are providing intent to add on as an intervenor to the case filed by Idaho Power last month.
